

BOX TRAVELER® TOOL LIST

The following items are some of the tools and materials recommended for assembling and cycling your EFCO equipment. This list of tools is based on information obtained at a similar jobsite by an EFCO Field Supervisor and is not intended to be all inclusive. Some tools and materials vary depending on region or country. Having these items readily available will help increase the productivity of your jobsite. Many of these tools are available for purchase from EFCO and can be acquired by contacting your local EFCO Territory Manager.
